SCHEDULE OF ESTIMATED MINIMUM CHARGES FOR 2022 INDIVIDUAL INCOME TAX RETURNS.

As of January 1, 2023. Work in addition to what is typical for a form will be charged at standard hourly rates.
 This is our fee schedule for individual income tax preparation. This schedule should give you a good idea of the estimated costs to prepare your individual income tax return. These rates are subject to change without notice. The fee for your income tax preparation does not include services rendered in connection with other consultations, financial statement preparation, bookkeeping, accounting work, audits, phone calls, training, or counselling during the year. These activities are billed separately. Payment for returns is due when they are picked up.
